

FACILITY EXPANSION STATE LOANS AND GRANTS

The principal fund shall be-8(u)S98 10(al)6(anD 414(h)v6()D 41400e41400TS)-4-5(L)12(dS.M>e lands which shall be invested and, except as otherwise provided in this section, only the interest and income derived from such funds shall be expendable by the school district.

The principal fund shall consist of:

1. Funds received for easements and rights-of-way pursuant to Section 29-3-91;
2. Funds received for sales of lieu land pursuant to Sections 29-3-15 through 29-3-25;
3. Funds received from any permanent damage to the school trust land;
4. Funds received from the sale of nonrenewable resources including but not limited to the sale of sand, gravel, dirt, clays and royalties received from the sale of mineral ores, coal, oil and gas;
5. Funds received from the sale of buildings pursuant to Section 29-3-77; and
6. Funds received from the sale of timber.

It shall be the duty of the board of education to keep the principal fund invested in any direct obligation issued by or guaranteed in full as to principal and interest by the United States of America or in certificates of deposit issued by a qualified depository of the State of Mississippi as approved by the State Treasurer. The certificates of deposit may bear interest at any rate per annum which may be mutually agreed upon but in no case shall said rate be less than that paid on passbook savings.

The Board of Education is likewise authorized to invest said funds in interest bearing deposits or other obligations of the types described in Section 27-105-33, as the same now is or may hereafter be amended, or in any other type investment in which any other agency, instrumentality or subdivision of the State of Mississippi may invest, except that one hundred percent (100%) of said funds are hereby authorized to be so invested. For the purposes of investment, the principal fund of each township may be combined into one or more district accounts; however, the docket book of the county superintendent shall at all times reflect the proper source of such funds. Provided that funds received from the sale of timber shall be placed in a separate principal fund account, and may be expended for any of the purposes authorized by law.

The Board of Education shall have authority to borrow such funds at a rate of interest

not less than four percent (4%) per annum and for a term not exceeding twenty (20) years, for the purchase, equipment or repair of said districts to provide for any building project approved by the State Board of Education or to provide additional funds for forest improvement as set forth in Section 2414.2, and the board may borrow such funds under the same interest terms for a term not exceeding ten (10) years to provide funds for the purchase of school buses. The Board of Education of any school district in any county that has an aggregate amount of assets in its principal fund in excess of Five Million Dollars (\$5,000,000.00), may deduct such amount from the State Board of Education's fund for the purpose of such deduction.

Funds borrowed by a school district may be expended after the annual payments made on such loan. The annual payment can be made from any fund available to the school district except municipal fund.

It shall be unlawful for the board of education to borrow any money borrowed or invested in any other manner, any officer or employee of the school district suffering the same to be made in violation of the provisions of this article.
